AVAILABLE OPTIONS

Hashmark-Master - Easily paint hash marks five times faster than other methods. Eliminates repeated measuring or using stencils and templates that require a two or three man crew.

The **Hashmark-Master** quickly attaches to any Newstripe field marking machine. The operator follows the automatic line-up guide from one hash mark to the next, paints it and moves on. It is that simple. Your hash marks will be perfectly laid out and painted every time. The **Hashmark-Master** will easily pay for itself during the first football season.

Part # 10000892 \$795.00

PerfectCircle - Paint absolutely perfect circles and arcs easier and faster than ever before. The spray head's unique spring-loaded feature precisely and automatically guides the paint machine in a perfect circle. Locate the center of the circle or arc to be painted and push the pivot point into the ground. Attach the lightweight aircraft cable between the spray head and the pivot point. Then, simply push the machine and let the **PerfectCircle** do the work of guiding the field marker.

Part # 10001656 \$295.00

Rear Swivel Caster - Fifth wheel swivel caster for arcs and circles. Easily bolts on any Newstripe machine. Simple drop down latch raises rear wheels to paint circles and arcs, lifts and locks in up position to paint straight lines.

Part # 10001231 \$235.00

Hand Gun Kit: Part - Low-pressure handgun with 12' hose and 24" wand extension for painting field markings or stencils. Comfortable pistol grip with in-line strainer to prevent clogging.

Part # 10000201 \$170.00

Power Packs - Eliminate hand pumping by adding air, CO2 or engine power packs. Air power pack paints 1/2 mile of line per filling. 5 lb CO2 power pack marks 4-6 mile of line per filling. Engine power pack with 3.5 hp Briggs & Stratton and piston compressor gives you continuous striping.

Air Power Pack	Part # 10000191	\$369.00
CO2 Power Pack	Part # 10000192	479.00
Engine Power Pack	Part # 10000193	799.00

NSF No Spill Funnel - Quick, clean paint tank filling with no spilling of paint. Unique design eliminates splashing

Part # 10003363 \$ 29.95
